Don't Litter! Do not Litter, Make it Glitter

When you dropped the packet and thought "Oh, what the heck!" You could be trapping something by the feet or claws or neck.

And doesn't it look filthy as it flutters through the wind? The bag of chips and chocolate wrapper your really should have binned.

Spitting out chewing gum is a devilish sin. PLEASE be an angel and put it in the bin. For it clings to our shoes and sticks to the street.

And it's often found on a table or seat. So come on you chewers, and please have a heart. Let's keep our school smart!

How we can help stop littering:

Close up the trash

Always find a trashcan

Clean up before the wind blows it

Tell people where the trashcan is
