Derrick Schofield,  
Commissioner of the Department of Correction  
Rachel Jackson Building, Sixth Floor  
320 Sixth Avenue North  
Nashville, Tennessee 37243-0465

July 24, 2014

Commissioner Schofield,

Please see the Resolution in opposition to the Twenty-Eight Day Work/Pay Cycle of the Morgan County Correctional Complex. Morgan County and the Tennessee Department of Corrections have an historical relationship spanning over a century. I and other county officials feel very strongly that we must oppose the 28 work/pay cycle because we feel it will have a negative impact on our community and our citizens who are employed at MCCX. We also feel that this will have a negative impact on employee morale at MCCX.

We are asking that you, Commissioner Derrick Schofield, please cease implementation of the 28 day work/pay schedule.

Morgan County appreciates your diligent service to Morgan County and to our great State, particularly with our nation's economy suffering an anemic recovery. We feel you're doing your part in keeping Tennessee a vibrant, business-friendly destination in which we are all very proud to call home.

God's Blessings Always,

Don Edwards  
Morgan County Executive
